BLANC DE NOIRS

**“THE PRICE IS ASTOUNDING FOR THE QUALITY.”**

“Gruet’s non vintage Blanc de Noirs is a lovely sparkling wine, a blend of pinot noir and chardonnay with a very pale salmon hue. The pinot noir base shows beautifully, with an unusual richness conveying delicate but discernible berryish notes of raspberry and strawberry with a creamy texture. If there’s a better sparkling wine made in America--or anywhere else, for that matter--that delivers this kind of quality at that low a price, I haven’t tasted it.”
