

CHATEAU de PIBARNON

One of Summer's Liveliest Rosés!

Chateau de Pibarnon is arguably the finest Bandol roses produced today. This lively Rhone blend includes predominantly mourvedre and cincault grapes. As the highest-altitude property in Bandol, Chateau Pibarnon's wines have a sense of elegance and aromatic freshness that is unique for the appellation. Produced in the saignee method for the richest color and flavor, this is a rich, unctuous rosé from one of Southern France's top producers.
