ZWEIGELT

GOBELSBURGER  
FROM SCHLOSS  
GOBELSBURG

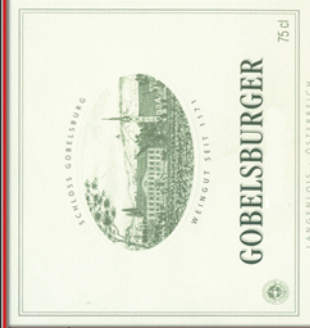

The 2008 Zweigelt "Gobelsburger" represents an excellent value. Cool-climate, old-vine Zweigelt is rich in plum and sour cherry fruit with a spicy zip. Lively stuff! The fruit is grown in soils of volcanic sandstone, mica slate, and alpine gravel lending a pungent sense of minerality. This wine drinks well beyond its price!
