BLANC DE BLANC

92 pts

International Wine Cellar

"Pale gold with a frothy mousse. Highly aromatic bouquet of tangerine, pear, minerals, sweet butter and lees; smells like a Puligny-Montrachet. Fine, focused and pure, offering spicy citrus and orchard fruit flavors and a strong mineral bite. This pure, graceful Champagne would be perfect with oysters. All of Gimmonnet's wines go through malolactic fermentation."

- Stephen Tanzer
