

2008
RIESLING
GOBELSBURGER
FROM SCHLOSS
GOBELSBURG

The 2008 Riesling "Gobelburger" from Schloss Gobelburg represents an excellent value! Cool, minty, lime, and tea-like aromas lead to a juicy, bright, faintly bitersweet palate. The fruit is grown in soils of volcanic sandstone, mica slate, and alpine gravel lending a distinctively salty, pungent sense of minerality.
