"La Vieille Cure's amazing 2005 is even better than their terrific 2003 and 2000. It boasts an inky/ruby color as well as a gorgeously sweet perfume of charcoal, black cherries, black currants, and spring flowers as well as an underlying mineral component. Superb concentration, full-bodied power, wonderful symmetry, purity, and texture, and a multidimensional mouthfeel are all found in this fabulous sleeper of the vintage." - *WA*
